United States Bankruptcy Court
Southern District of New York
Debtors: Lehman Brothers Holding Inc.
Case number 08-13555 (JMP)
(jointly Administered)
claim numbers: 64652 and 64653
Notice of Hearing on debtors' forty-second
Omnibus objection to claims (late-filed Lehman programs securities claims
Lafrance Hughes for an amount of unsecured: \$28,486.00
Lafrance Martine for an amount of unsecured: \$14,243.00

Your Honour,
May I ask you not to disallow our claim, taking into consideration that it was posted
by our custody bank, BNP-Paribas-Fortis Belgium, on October the 21st by registered mail and by
plane, perfectly in the response deadline. But incomprehensibly, the acknowledgment of receipt is
dated 11/04/2009 (see attached documents). Following the postal services in Belgium, it normally
takes 2 or 3 days to have such a file delivered. We ignore what really caused such delays but you
understand that it is beyond our will. We were perfectly in the times. That is the reason why we are
confident that you will indulgently consider our request.
Sincerely yours,

Lafrance Hughes
